

Impressive Gains From 19 Years Research

(This second of a series of three articles is presented by the local Heart Association to inform readers of this newspaper about progress in the fight against heart and circulatory diseases.)

It is quite possible that the Heart Fund, totaling about 416 million dollars over the past 19 years, has already yielded one of the greatest investment returns ever realized by the American people. The results are now coming home. They are being felt right here.

Although diseases of the heart and circulation continue to be our

number one killer, accounting for more deaths than all other causes combined, there has been a decline of 18.4 per cent in the cardiovascular death rate for persons below 65 since the year 1950.

This is no coincidence. The year 1950 also marked the start of a planned, massive assault upon the heart and blood vessel diseases. In essence, it was the year the American people decided to do something about the problem, instead of just talking about it.

What has happened since 1950

falls into sharper focus for persons below 65 when we compare the present-day toll of about 253,000 deaths with the 302,000 we would be experiencing if the 1950 mortality rates had persisted. The indicated savings is about 49,000 lives a year.

There is a stronger likelihood that at least some of these 49,000 beneficiaries—nobody knows how many or who they are—live in this County.

Also deserving of mention is the fact that the people of this county have participated in many Heart Fund Campaigns, and thus

are entitled to share the credit for the health achievement of dramatic dimensions.

The Heart Fund, which is to be conducted here and throughout the nation through February, underwrites research, professional and public education, and community heart programs of your Heart Association. These programs have speeded virtually every advance in cardiovascular medicine in recent years.

It should be noted that the 18.4 per cent decline is a combined figure applying to persons of both sexes under 65. Among men aged

45-64, the overall decline since 1950 has been about 8.4 per cent, despite an increase of about 5 per cent in the death rate from heart attack.

Beyond 65 the outlook is less encouraging. It is among the elderly that the cardiovascular diseases always take their greatest toll. And since more people are living to an advanced age, the nation's mortality from heart and blood vessel disorders at all ages now exceeds 1,000,000 yearly.

Behind statistics which indi-

cate a far brighter picture for those aged below 65 are many tangible achievements. For example:

* Rheumatic fever once more prevalent than polio at its worst, now is on its way to becoming a rare disease. By knocking out the "strep" infection which precedes it, the door can be closed on rheumatic fever and at the same time on rheumatic heart disease.

* Most inborn heart defects yield to surgical correction, made possible by development in the

1950's of the heart-lung machine, which also has enabled surgeons to cross what was once thought to be an ultimate frontier—heart transplantation, now in clinical trials.

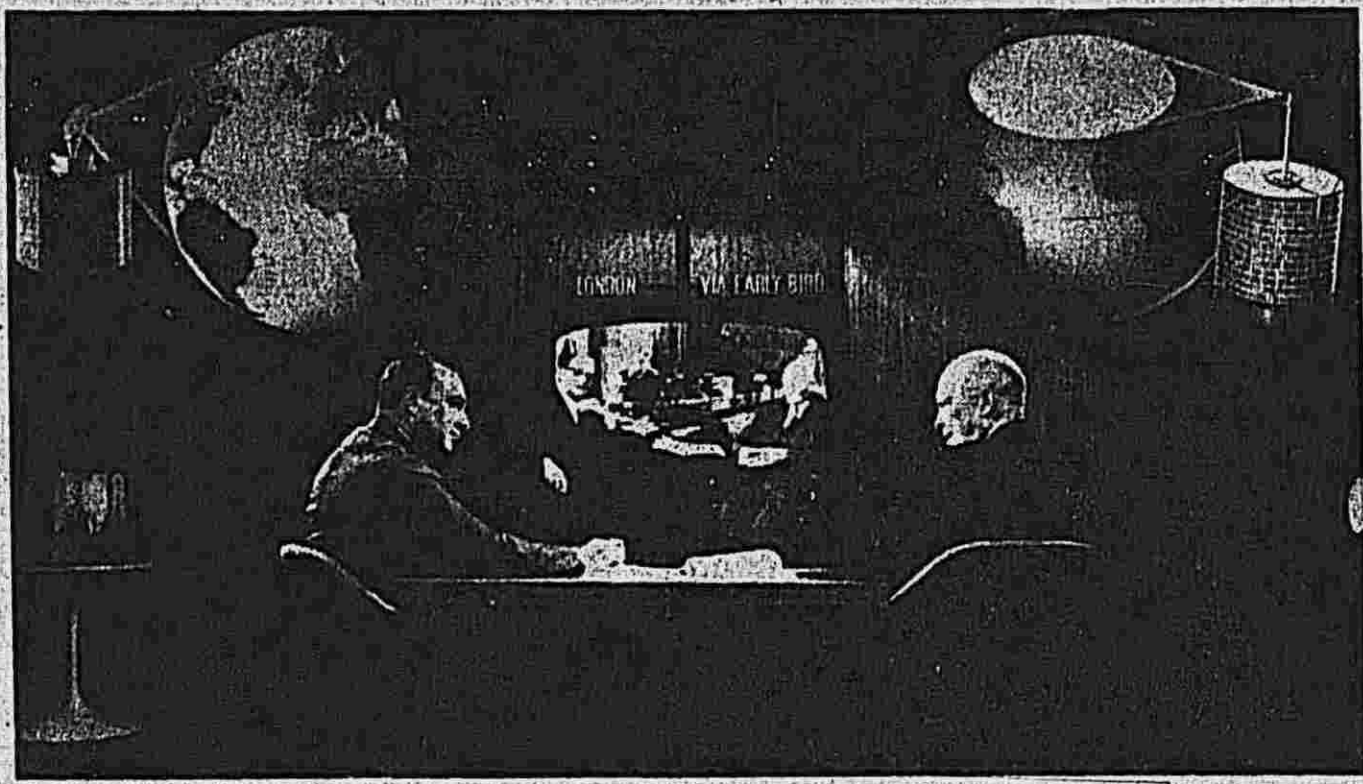

* Artificial heart valves, synthetic artery grafts and implant pacemakers to sustain heart rhythm are increasingly successful.

* Coronary care units improve by as much as 30 per cent of the survival rate among hospitalized heart attack victims.

Accompanying these new de-

velopments are a host of others—drugs for correction of high blood pressure, vastly improved techniques of diagnosis, external massage for restarting a stopped heart, an artificial kidney to purify the blood of toxic substances when natural kidneys fail, pressure-raising drugs to treat shock, and new methods of treating strokes and rehabilitating stroke patients, to mention only a few.

The 1969 Heart Fund Campaign is being conducted here, and in 6500 other communities, through February.

THE LITTLE SATELLITE, top right, that made "Live Via Early Bird" a household phrase on television sets in millions of North American and European homes for the last three and one-half years, retired last month, 22,300 miles above the Atlantic. Its communications circuits were transferred to a new and larger satellite, top left, called INTELSAT III. Early Bird's communications performance record reads like a who's who, including TV broadcasts of Pope Paul's historic visit to the U. S. in October, 1965; the Gemini splashdowns in 1965-66 and former President Eisenhower, above, discussing World War II strategies with British Field Marshal Sir Bernard Montgomery in a "Town Meeting of the World" telecast.

Forest Preserve Gets Cash

The president of the Lake County Forest Preserve District, C. Robert Whiteside, today announced that federal matching funds totaling \$10,385 have been granted for acquisition of two forest preserve sites.

The money is to reimburse the County on a matching basis for property purchased last year. This is part of the open space program administered by the Dept. of Housing and Urban Development.

Of the total, \$82,886 is for the Hess addition to the E. L. Ryerson conservation area acquired

Dentist, Wife Killed

A retired Antioch dentist and his wife were killed Monday afternoon in a head-on crash with another auto near Maxton, N. C.

Dead are Dr. Herman H. Wenger, 72, and his wife.

Mrs. Wenger was instantly killed while Dr. Wenger, of RFD-4, Lake Marie, died a few hours later in Scotland Memorial Hospital, Laurinburg, N. C.

Dr. Wenger, according to highway patrolmen, was traveling east and attempted to pass a pickup truck but crashed into another auto.

Zoning Okayed, Tabled

One zoning petition for Antioch Township was approved by the Lake County Board of Supervisors Tuesday, but a second was tabled by Antioch Township Supervisor Lloyd E. (Red) Murrie.

Approval came on a petition by Roy Pearcey and Elsie I. Pearcey, to rezone from HC-Highway Commercial and SR-Suburban Residential to CB-Community Business 37,775 square feet on the North Side of North Avenue 300

Library Contract Awarded

The Antioch Township Library Board has awarded the general contract for construction of the new library to Jenkins & Bolter of Waukegan.

The contract, which was awarded at a special meeting last week, is for \$169,930.

Completion is scheduled for October 30.

The board will meet again Friday morning to make the awards on the electrical, plumbing and heating work.

(Continued on page two)

Reckers Named To Committee

Preston J. Reckers Jr., assistant vice president of the State Bank of Antioch Tuesday was appointed a member of the newly-formed Lake County Housing Study Committee.

Board Chairman Robert W. Depke proposed the committee to investigate the housing problems and make recommendations to the full County Board, as to what courses of action might best satisfy the needs of the people.

The resolution creating the committee pointed out that a

George Fleming, right, of 404 North Avenue, Waukegan, receives a snowmobile from Bob Johnson of Johnson's Sport Shop. The snowmobile was given by the Antioch Sequoia VFW Post No. 4551 recently during their drive for funds to swell the building fund. Fleming works at Great Lakes.

Cunningham Slate Has Progressive Program

A progressive program for a progressive slate is the way former mayor Murrill Cunningham put it as he unveiled his plans for municipal betterment for Antioch.

Cunningham announced his slate's platform after a meeting with members of the Progressive Party Tuesday night.

Highest on the agenda, he said, is a thorough study of the wages of village employees and an effort to bring them into line with today's standards.

A good salary, Cunningham pointed out, helps to keep good men on the job. He added that the village has lost good men in the past because it could not compete with private industry in the wage field.

At the same time Cunningham announced his slate's program he announced that he has been endorsed for Mayor by the Illinois Good Government Institute which has recommended his election.

Other points brought out by the Progressive slate include:

* A street improvement program that would ultimately end up with permanent resurfacing for residential areas.

* An adequate street lighting program for the Oakwood Knolls area.

* A push for public housing for senior citizens.

* A program to clean up the rusty water in the village.

* A move to entice industry into the area, pointing out that nothing has been accomplished in this field for the past four years.

* A program of planned annexation of land to the village in order for the village to grow and prosper.

Cunningham and his running mates pointed out, however, that the details of the program must necessarily wait until a study is made in order to know the problems involved.

"It would be foolish for us to say we are going to do this tomorrow," he said, "without a thorough going over of the problems facing the village."

"But the areas listed are those that will be investigated to get the most for the tax dollar of the residents."

"Many of the projects we have in mind are not going to be accomplished overnight, but we firmly believe that they should be looked into and long-range improvements, which are lacking under the present administration, should be started."

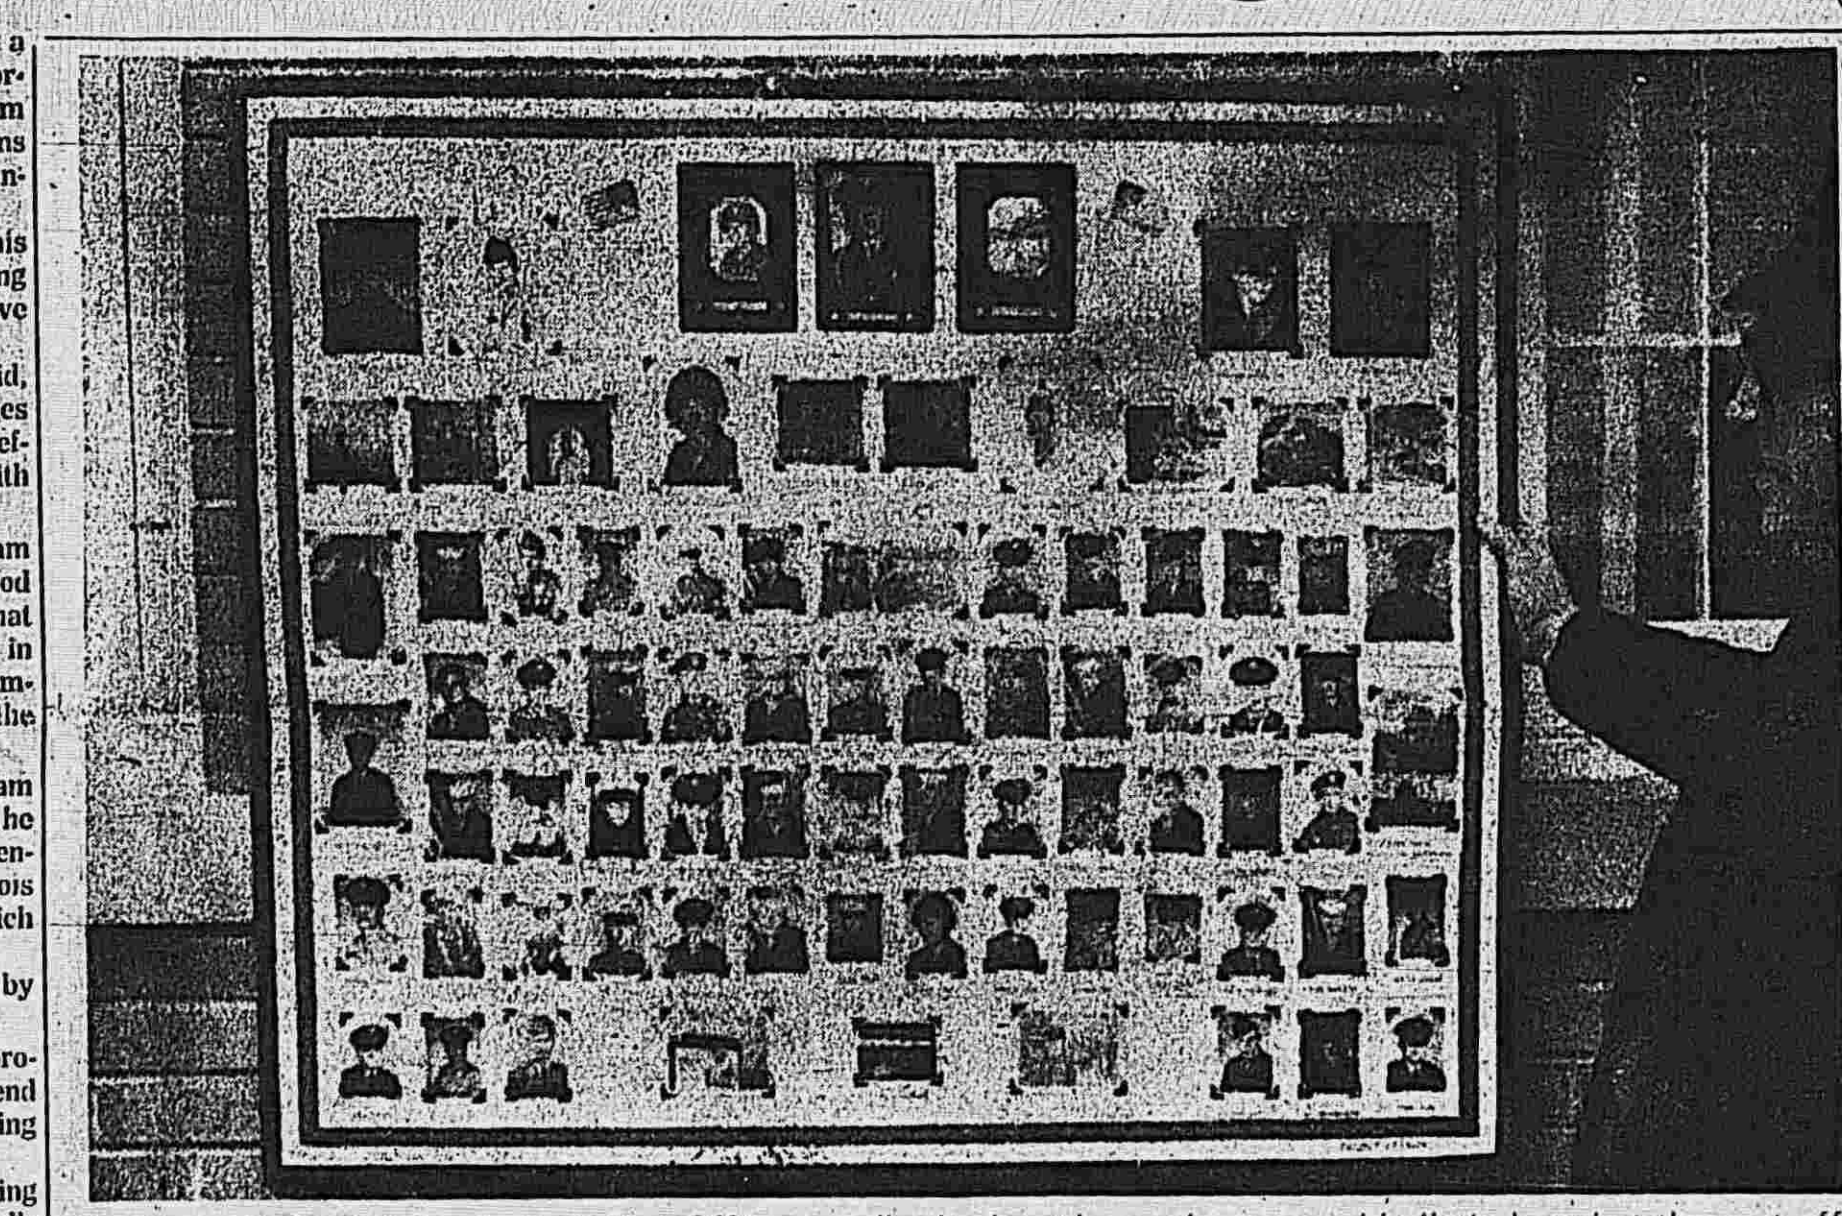

McClory Urges Reform

Congressman Robert McClory, R-Ill., has urged the House Judiciary Committee, of which he is a member, to abolish or reform the existing electoral college system.

In presenting his statement to the full Committee, McClory declared:

"There are too many dangers and pitfalls in the existing constitutional requirements. The public is demanding a system which more accurately reflects

State Bank Records Phenomenal Growth

The State Bank of Antioch had phenomenal growth during the past year with an increase in resources of more than \$5 million the annual meeting of the board was told.

William E. Brook, chairman of the board and president of the bank said that resources had climbed to \$27,289,869 as compared with the \$22,207,688 registered last year.

Brook pointed out that the growth of deposits since 1955 has also been tremendous.

In 1955 the deposits were

\$5,165,947 and they jumped \$3 million in 1960, another \$7 million in 1965 and another \$10 in the last two years to reach a total of \$25,456,507 for fiscal 1968.

Brook also announced that two

new directors were elected to the board at the annual meeting. They are Richard J. Daniel, vice president, and John G. Fields, vice president.

Daniel has been with the State

Bank of Antioch for the past 9 years and had 13 years of prior banking experience before joining the institution.

Fields has been with the State Bank of Antioch for the past 17 years.

Brook pointed out that new highs were experienced during the past year in ever year.

"I feel that we can all be justifiably proud of our achieve-

Bond Sale In County \$1,324,781

Lake county residents purchased a total of \$1,324,781 in series E and H United States savings bonds and Freedom Shares in December, and total sales in the county for 1968 were \$11,202,243 according to Richard F. Kennedy and Richard D. Newland, Waukegan, general county co-chairmen of the savings bonds committee.

Sales for December in the state of Illinois were \$26,724,790, 2 per cent over the previous December, according to Clarence S. Sochowski, state director of the Treasury's savings bonds division. Illinois sales for the year 1968 were \$335,556,375, down 4.2 per cent from the 1967 total. This represented 6.7 per cent of the national total which was \$4,972,000,000. The cash value of savings bonds and Freedom Shares outstanding at the end of the calendar year was \$52.2 billion, an all-time high.

Total snow for season — 30.30"

There's not much to say about last week's weather but there is something I would like to clear up.

When the "Weather Report" first started out, I wasn't sure, it would be of interest to you or not. I tried to pass on to you information that came into my hands through the U.S. Weather Bureau. I use to write this article going to and from Chicago on the train but through choice of my own I am now a custodian and bus driver for the Antioch Grade School. I think, from what I have heard, that the article is read and you don't blame me for the past weather, so let me fully identify myself. I am Thomas G. Robinson, Jr., and probably better known as "Robbie". I thank you for your interest and appreciate your comments and you can call me anytime for weather information.

Thanks again,
Tom "Robbie" Robinson

EDITORIAL

Managed News

Newspapers are often accused of management of news—and we dare say that sometimes they may be guilty of it.

But we in the business can take a lesson from the Antioch Fire Department and the girls that man the switchboard at the Antioch Police Department on the night shift.

We are speaking particularly of Monday night when we called to determine what the sirens were all about at about 6:30 p.m.

The young lady who answered the telephone immediately upon hearing that a newspaper was calling said she didn't have time to talk. That she was too busy.

Now we weren't at that time attempting to find out details of the action, just what it was and where it was.

We wonder if she is that discourteous with others who call in to get aid.

After telling us to wait she then pulled the plug and we were left with a dial tone.

We tried again and this time, after ascertaining that it was a newspaper calling we were placed on hold for about 15 minutes.

If something was burning, and we discovered later it was a vehicle in Newport, it could have been out by then.

The young lady then came on—after the long wait—and again informed us that she was too busy to talk.

We wonder now what she was doing that was making her too busy. We saw no other reports of any serious action going on.

Then she asked—in an aside to another young lady who was in the station—shall I pull the plug?

The second young lady then got on the telephone and said they were not allowed to give any information out by order of the fire chief.

Now we agree that they were not at the scene and so could not detail what was going on. But we were not asking that question.

We were told we could call in the morning—but by that time the whole town could have burned down.

We are wondering why the fire chief gives out an order that no information can be given out.

It can't be that much of a secret with the sirens screaming all over town.

We always thought—and we admit that we haven't checked the law recently and we may be wrong—that fire and police records were public records.

And that the right-to-know law was still in effect.

Maybe it isn't in Antioch.

Congratulations

Antioch's matmen have finally done it.

They have won the Northwest Suburban Conference championship with an impressive win over the weekend.

And they did it in the gymnasium of the school—Grant—that has held the title for the past five years.

We want to congratulate the grapplers who have done so well this season under the tutelage of Coach Ted DeRousse.

And they did it with the closest rival, Grant, being beaten out by a score of 121 to 82.

Prior to going into the match over the weekend, the Sequoit wrestlers had grabbed off 28 points with seven dual meet wins.

While the Antioch grapplers were held to four individual titles the team effort of two seconds and three thirds made the difference.

Good going.

Tap Berg...

service to the cancer patient. A significant portion of the funds is used in the local community and in the County.

Berg would welcome your help in the Crusade, either as a Crusader (making ten calls or less on ten business men), or as an Area Chairman (being in charge of ten Crusaders, giving out the

kits and seeing that they are returned) and urges you to give careful consideration to his appeal, either to work or to give, or better yet, both.

So when your local Crusader calls please give generously and support this important cause.

An adult oyster may lay as many as 9,000,000 eggs. These are so tiny that 600 of them side by side will measure only 1 inch.

Letters to the Editor

Feb. 5, 1969

Dear Editor:

Many people around Antioch have commented on the peculiar behavior of our Police Force.

Today our entire family witnessed one of the so called heroic duties that a member of the Police Force performed.

As we sat at the breakfast table this morning we heard two shots fired and immediately looked out of the window to see this "Gallant" policeman pointing his gun at a Raccoon sitting near a neighbor's house. The Raccoon slowly waddled toward him; he again shot and hit it in the head. This ended the life of a beautiful animal which turned out to be the pet of a family in town.

Zoning Okayed...

(Continued from page one)

feet west of Rte. 83.

In 1961 the property was zoned business and used for a shoe repair shop and the land was purchased with the understanding that it could be used for business purposes.

However, in 1966 when the new zoning ordinance was adopted it was placed in the HC and SR classification.

The petitioners plan to use the premises for a barber shop and a sewing center.

The petition turned down was one by Lawrence M. Lyons and Gael Lyons to rezone from agricultural to office and research 40 acres on the east side of Rte. 45 a half mile north of Rte. 173.

The zoning was sought so that the property could be sold to Industrial-Bio-Test Laboratories which intended to use the property for a laboratory research for Nalco, Inc.

Although the Lake County Zoning Board of Appeals had recommended granting the petition, it was pointed out by Murrie that objections had been filed and could not be erased.

He pointed out that the petition had already been delayed twice in an effort to iron out the objections but the effort had not been successful.

He recommended, therefore, that the petition be tabled and the action was approved unanimously.

McClory Urges...

(Continued from page one)

the popular vote. We as Representatives of the people are bound to produce an appropriate Constitutional Amendment responsive to the popular demand.

In earlier sessions of the Congress McClory has offered proposals for the so-called District Plan of selecting members of the electoral college.

Under the McClory proposal each Congressional District would be represented by an elector whose vote would be counted for the candidate who won the popular election in the Congressional District.

The Congressman has indicated that retention of the electoral system would avoid the danger of "a proliferation of political parties and candidates"—such as France and Italy have experienced.

The Judiciary Committee hearings are expected to continue throughout the month of February and perhaps longer. However McClory predicts that a Constitutional Amendment will be recommended during the first session of the present Congress.

Lions Club Will...

(Continued from page one)

with Jim Olson, President of the Lions welcoming the guests. Bob Biaggi, president of the "A" Club will respond to the welcome and the main speaker will be George Ireland, the varsity basketball coach of Loyola University.

Other speakers will be Warren Polley, assistant superintendent of Antioch High School, Miss Christy Arendt, the cheerleader sponsor and Ward Lear, athletic director who will introduce the coaches and the athletes.

The outstanding athlete trophy will be presented by Olson.

Reckers Named...

(Continued from page one)

housing shortage exists in Lake County and restricts the ability of lower income families to find adequate housing at a reasonable cost.

It goes on to state that the housing shortage has a direct bearing on the supply of labor and thus affects the growth and development of the county.

The list of citizens presented by Depke represents, he said, a cross section of those interested and knowledgeable in the field of housing.

The Police were notified about the missing pet approximately two hours after the above incident took place and told the owner they had not heard anything about the animal.

We do have an animal warden in this county who could have been called to handle this matter. The point to be made from this is that the Police seem to be unable to apprehend wrongdoers but generally try to condemn the innocent.

Is this what we call "Law and Order," "Honesty and Sincerity"?

We prefer this to be signed: Great Believers in Humanity

Sewer, Water Costs Are Too High

The Antioch Grade School Board of Education, at a special meeting last week, voted to table a proposal of sewer and water cost supplied by the Village of Antioch.

The tabling action took place so that the board could study the matter further.

The proposal is for the new grade school construction approved by the voters of the district.

The proposal was presented by village engineer Frank Angelotti and calls for a cost of \$68,467 for sewer sanitation and \$23,455 for water.

The school architect-engineer was not at the meeting and so the proposal could not be evaluated.

The final drawings for the new structure was submitted and accepted by the board and the architect will be directed to proceed as the basic plan was accepted.

2 Antioch Men Held In Robbery

Three Illinois men, two of them from Antioch, are being held in the Oakland Park, Fla. county jail on charge of beating and robbing a Maine visitor to the city.

Held on strongarm charges are Robert G. Koppa, 22, and Richard G. Miller, 23, both of Antioch, and William M. Ladewig, 30, of Chicago.

The trio are accused of robbing Lawrence E. Gay, 41, of Michigan, Me., in his room at a motel last Sunday after they beat him and then tied him with neckties.

SAFETY-MINDED HOMEOWNERS...

make sure that heating systems are in good condition and that electrical circuits are not overloaded. They practice good housekeeping too, so that fires can't find a place to start.

SAVINGS-MINDED HOMEOWNERS...

recognize the value of a State Farm Homeowners Policy... the low-cost, package policy that provides all the protection most homeowners will ever need for home and belongings... plus protection for themselves in case of lawsuits. If you're savings-minded, but need big protection too, ask me about a State Farm Homeowners Policy.

2 Antioch Students Win Award

Charles Brady, whose parents Mr. and Mrs. Robert Brady, reside at Rte. 2, Box 748A, Lake Villa, and Tom Radke, whose parents, Mr. and Mrs. Robert Radke reside at Rte. 4, Box 47, Antioch, students at Antioch High School, have been named winners of the annual Current Affairs Contest conducted by TIME, the Weekly Newsmagazine.

The winners were selected from more than 2,500,000 students across the U. S. and Canada who participated in the event, now in its 33rd year. The Current Affairs Test, based on significant news stories in TIME, comprise 100 questions on national and foreign affairs, as well as business, sports, entertainment, science, religion, literature and the arts.

Other high scoring students in the area were Carol Westlund of Antioch High School, whose parents, Mr. and Mrs. Ernest Westlund reside at 915 David St., Antioch, and Victor Lahti, also of Antioch High School, whose parents Mr. and Mrs. William Lahti reside at 661 Drom Ct., Antioch.

The test, created for the TIME Education Program—an exclusive classroom service of TIME magazine—has been taken by some 10 million students since its inception 33 years ago.

LAKE AND SPAFFORD STREETS

State Bank of Antioch

"Serving the Lakes Region Since 1894"

State Bank Records--

(Continued from page one)
ments," he said, "and we should be equally grateful to the friends who made this highly satisfactory situation possible."

The president said that the bank is celebrating its 75th birthday this year and has made the transition from 1894 to 1969 from the Boston Ledger to the computer.

"But our industry now finds itself facing a time of tremendous challenge," he said, "and we feel that we have the facilities and the know-how to meet this challenge."

He pointed out that while there were many improvements in the State Bank during 1968 such as Tel-Aire Drive Up System; an expanded safety deposit box installation; the initiation of the license plate service; computerizing of accounting procedures; and many more, there are several other improvements under consideration.

"We have these improvements in mind," he said, "to better serve you, the customer, and you can be sure that every effort will be made to make them a reality."

He pointed out that checking accounts have increased by 500, savings accounts from 5,902 in 1967 to 6,162 in 1968.

"We are growing," he said, "and we have every confidence that we will do better to serve an ever expanding Antioch area."

Other directors re-elected included Ted C. Larson, secretary, Irving W. Carey, Fred O. Hawkins, Carl D. Hughes, Dr. James W. Kopriva, James W. McMillen, Lloyd E. Murrie, Edmond R. Strang.

Officers of the bank, besides Brook, Daniel and Fields, are Preston J. Reckers, Jr., assistant vice president, Bernice Reisser, cashier and Margaret Webb, assistant cashier.

Forest Preserve...

(Continued from page one)
In July 1968, 550 acres has been designated for the Ryerson tract and the County Forest Preserve District now holds title of 295 acres.

The remaining land will either be purchased or received as gifts from various donors.

The remainder of the money, \$27,498, is to reimburse the County for the 18 acre Highland Park Prairie site which was acquired in October 1968. District Director Jerrold Soesbe says the property contains the only known undisturbed prairie remnant of its type in our County.

He said plans are to leave the prairie in its natural state, restricting usage so as to safeguard the quality of this unique native grassland.

E. Kenny Harlan, chairman of the land acquisition committee said, "I am very pleased that our request for matching funds has been granted. This should give impetus to our on-going program of acquiring more space for all the residents of Lake County."

A new forester has been hired by the Lake County Forest Preserve District according to C. Robert Whiteside, president of the district.

Robert J. Towler, 35, formerly of Hill City, South Dakota, was in business as a consulting forester for three years after serving six years with the U. S. Forest Service.

Towler is a graduate of the University of Minnesota where he was awarded a B.S. degree in forest management. He also attended the Montana University School of Public Administration.

During his employment with the Forestry Service, Towler was involved in almost every phase of land management including recreational development, site development, and conservation.

The new County Forester will begin his duties this week. Towler, his wife Dorothy, and their 3 children will reside at Lake-wood Forest Preserve in southwestern Lake County.

Fund Still Is...

(Continued from page one)
the area and not just the veterans organizations.

The proposed date for ordering the memorial is April 15 and the committee hopes that it will have enough money by that time to complete the purchase.

Those contributing recently to the fund include:

Lakes Animal Clinic, Mr. and Mrs. Manuel Goode, Chester White, Antioch Community High School P.T.A., Tiffany Real Estate, St. Peter's Altar and Rosary Society.

Dr. and Mrs. W. A. Biron, The Pink Posie, Mrs. Hester Garland, 885 Club, Knights of Columbus, Antioch.

If a car is in a collision with an animal, such as a deer or horse, any financial loss is covered by comprehensive physical damage insurance, not by collision insurance.

PTA Meeting Is Successful

The Feb. 5th meeting of the Antioch Community High School PTA was a great success.

Rev. Donald Cobb of the Antioch United Methodist Church gave a short talk on "Boy Scouting" and the "Boy Power '78" project the BSA are undertaking. He then gave the invocation to open the meeting.

Troop 91 of the BSA under the leadership of Richard Harland, presented the colors.

American Field Service, representative Mrs. Shirley Jensen, told the assembled audience of the AFS Student assembly held earlier in the day at the high school and of its great success and student interest.

Supt. Albert Dittman reported on the progress being made on the new building plans. What is being done and what we can expect.

The nominating committee made the report on prospective officers for 1969-1970.

It was announced that the Future Teachers dinner would be held at Grant High School on March 13 and James Lumber, president, Lake County Jr. College Board would be the speaker.

Commemoration of PTA Founders Day, with Mrs. Raymond Enzenbacher, Council President, having charge of this portion of the program.

Tracing briefly the history of PTA and then the officers of ACHS tracing the history of Bond Referendums and Scholarships from founding until the present day of the Antioch chapter.

To honor our founding president the first place teachers scholarship will be called the Rev. Wallace Anderson PTA Memorial Scholarship.

The second place scholarship

Grandmothers And Sitters To Be Feted

Grandmothers and favorite baby-sitters will be honored at guest night of the monthly meeting of the Lake County Mothers of Twins Club, Feb. 20 at 8 p.m. at the YWCA, 445 N. Genesee, Waukegan.

After a demonstration on the process of constructing tissue paper flowers, all those bringing a pair of scissors will be given an opportunity to try their hand at making some themselves. All mothers of multiple birth children are invited to attend.

The purpose of the organization is that mothers of twins may join together socially and educationally to exchange information pertaining to the rearing, development and individuality of twins which may be forthcoming from parents, educators, doctors and other appropriate sources.

Peace Corps Tests Set For Feb. 15

Antioch area residents interested in putting their skills to use in developing nations around the world are invited to take the Peace Corps Placement Test at 1:30 p.m. on Saturday, Feb. 15, at the U. S. Customs House in Chicago, and the Main Post Office in Evanston.

The Peace Corps uses the Placement Test to determine how an applicant can best be utilized overseas. The test measures general aptitude and the ability to learn a language, not education or achievement. The test requires no preparation and is non-competitive; an applicant can neither pass nor fail.

Mrs. Mary Seemann told how her advanced speech class did their Soap Opera project. Gary Allen, chairman of the Social Studies department showed and told how they use this medium in teaching the units in his department.

Miss Dora Beattie, on tape, showed how the various copy machines were utilized.

It is the consensus that the ACHS PTA programs have been exceptional and from the turnout of the large crowds and working members it would justify this opinion.

The next meeting of the PTA will be April 2nd, and is entitled "Enjoy-Enjoy." It will be a tour of displays by the Home Economics Department. Mrs. Arlene Molinarolo, the Industrial Arts Department Stuart Good and the Fine Arts Department, Rush, Miss Craner, Smouse and Brooke.

Three out of every four tons of freight move at one time or another by truck.

Honor Students Named

Four Antioch area boys received special honors grades at Carmel High School for Boys in Mundelein, the school announced. Two others received first honors.

Carmel High School for Girls also announced that six students from this area received first honors.

The boys receiving special honors included Fred C. Walpole, Antioch, Stephen Wolff, Lindenhurst, and Ronald J. Bitto and John J. Smolinski, Wildwood.

Those receiving first honors were James R. Griffin of Antioch, and Chris Abbate of Lake Villa.

The girls receiving first honors included Judith Hevrdejs, Helen Zeien, Jean Forster, and Mary C. Wiczorek, all of Antioch, and Deborah Larson and Celeste Tischler of Lake Villa.

Ken Horbax, 15, of Mildred Avenue, Antioch, and Rick Jorgensen, 16, of 331 Hazel Drive, Antioch, were treated at St. Therese Hospital Saturday after they were injured in a crash.

They were passengers in a car that went out of control on Rte. 131 near 1455 Green Bay Road, Rural Waukegan, and struck a utility pole.

The driver, Randall Jorgensen, 19, of RFD 3, Box 133, Waukegan, escaped injury.

2 Antioch Youths Injured

Interbank System Is Explained

More than 40 persons attended a breakfast Monday at Lorenz's Smart Country House to learn about the Town and Country Interbank Card System.

Host for the occasion was William E. Brook, president of the State Bank of Antioch. Representatives from Town & Country were at the breakfast to explain the new system which is called the Midwest Bank Card System and includes Town & Country.

Merchants and other guests learned that Interbank is a national bank charge card interchange program embracing almost 20 million card holders in 44 states and four countries.

They were also told that they do not have to change their present system and continue to honor all Midwest Cards plus other bank charge cards having the Interbank symbol, an "I" in a circle in the right hand corner of the bank charge card.

There were approximately 11,000 fire deaths in the United States in 1964, an increase of 100 over 1963.

Query Area Residents On Experience

A sample of residents in this area will be asked about their work experience during 1968, as part of a nationwide survey the week of February 17, Director Theodore P. Olson of the Bureau of the Census Regional Office in Chicago announced.

Questions will be asked about the number of weeks worked last year, the number of weeks lost because of unemployment or other reasons, and the longest job held during the year.

The survey is taken annually at this time to provide data for use by the U. S. Department of Labor. The questions supplement the Bureau's regular monthly inquiries for the Labor Department on current employment and unemployment.

The identity of households in the survey is confidential, and the information obtained will be used for statistical purposes only.

Can you heat a castle for \$200 a year with electricity?

If it's the six-room kind you can.

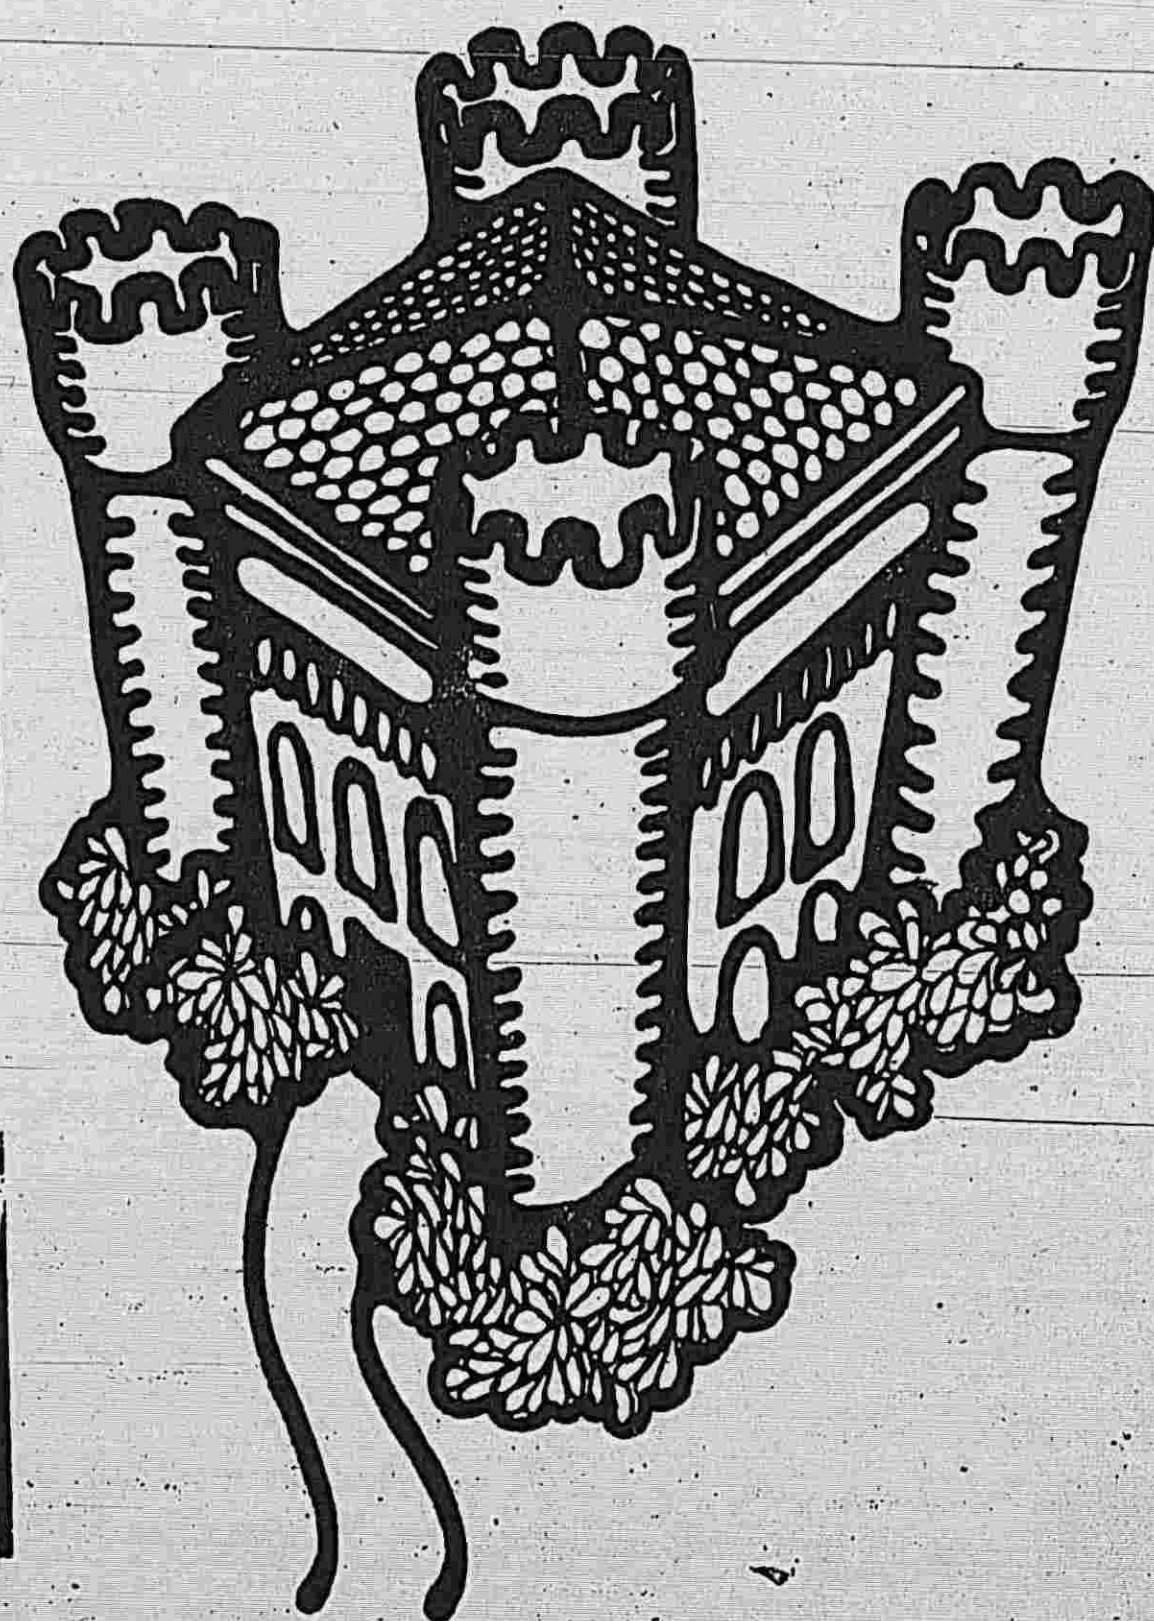

According to the old saying, that's exactly what a man's home is—his castle. And if your castle happens to be the kind most people buy, namely, the six-room size, there are some things you ought to know about electric heat.

First of all, you should know that Commonwealth Edison has dramatically reduced electric heat rates over the past ten years. What's that mean? Simply that you should expect to pay less than \$200 a year to heat an average six-room house with proper insulation.

Then, you should know there's a definite trend to electric heat. Example: Over 25,000 families in Northern Illinois are heating electrically, and more than 5,000 new families are joining them every year. That many people feel the price is small compared to the many benefits of modern electric heat.

No matter what size castle you have.

Commonwealth Edison Company

The bright new ideas are Electric.

THURSDAY, FEBRUARY 13, 1969 THE ANTIOCH NEWS 4

Legion Auxiliary

By Del Jahnke

In February, Americanism is always stressed in the American Legion Auxiliary. All units are asked to make contributions to the Americanism and National Security Fund, and to the "FOR AMERICA SEMINAR." Donations from the first fund make possible the support of the annual Department (state) Patriotic Conference; the state awards for the winning Americanism essay contestants; Education of both members and the public with special emphasis on the purchase of U. S. Savings Bonds and Stamps, the need for the government recruitment program of women in the armed forces and nurse's corps, the support of the R.O.T.C. in state supported universities by presenting awards and medals to outstanding cadets; and the support of the U. S. O., including an exceptional gift given yearly to U. S. servicemen. These projects are some of the many activities sponsored by this Americanism and National Security Fund. Mrs. Gerald Wagner, Lake Forest, District National Security chairman, joins Mrs. James Brennan, Round Lake, District Americanism chairman, in urging full-unit participation in this program. According to Mrs. John W. Horan, Jr., unit national security chairman, the Antioch Unit has already made a contribution to this fund.

More donations are also needed in the nationally sponsored "FOR AMERICA SEMINAR." Mrs. Brennan warns units that they cannot sponsor a school teacher for this course unless they have contributed to this program. The "FOR AMERICA SEMINAR" is available only to school teachers, majoring in political science studies. This seminar will be held from July 6th to the 25th, at Freedom Foundations, Valley Forge, Pa. Three semester hours of graduate level credit will be awarded, upon completion of this course.

The seminar objective is to focus attention on the fundamental freedoms, upon which our American way of life is based, and the attacks which are being made on these freedoms. The program consists of a series of lectures and discussion groups on 1—the fundamental freedoms; 2—the communist attack upon those freedoms; and 3—means of curbing disregard of law and order and raising the level of citizen responsibility.

The goal of each of the American Legion Auxiliary's 53 state and territorial Departments, is to provide at least two scholarships to this seminar. The Auxiliary pays the registration fee of \$425.00, which includes tuition, meals, lodging, educational trips, a library of reference books, and teaching materials.

Two years ago, Mrs. Robert Jaffe, a history teacher at Jack Benny Junior High School, Waukegan, was one of the two Illinois recipients of this scholarship. Mrs. Brennan, herself a teacher, praises this particular program highly, and asks all units to contribute to "FOR AMERICA SEMINAR." The Antioch American Legion Auxiliary has also made a donation to this fund. Teachers in this area desiring further information should contact either Mrs. Brennan or Mrs. Ray Rathmann, Antioch unit Americanism chairman.

A reminder to all members of the Antioch Auxiliary that their annual Birthday Party pot-luck supper will be on February 14th, at 6:30 p.m., at the Antioch American Legion Home. Mrs. Bernard Stadick, President, will conduct a brief meeting. Card games will be played afterwards. Mrs. John Horan, Jr., is the hostess chairman.

Judy Butler Honored At Baby Shower

A surprise baby shower was given Feb. 1 in Lake Villa for Judy Butler, former Judy Garvin of Lake Villa. Judy and her husband, Jim, now live in DeKalb. Thirty persons attended the affair put on by Mrs. Butler's sisters, Mrs. Peggy Van Patten, Mrs. Noramlowe and Kathy and Wendy Garvin.

Engagement Announced

Barbara Balsemello

Mr. and Mrs. James Balsemello, of Beach Grove, announce the engagement of their daughter, Barbara Jeanne, to Ronald Larson, son of Mr. Harvey Larson and the late Mrs. Ann Larson of Chicago.

A June 7 wedding is planned.

Garden Club Annual Meet Next Monday

The annual District II meeting of the Garden Club of Illinois, Inc., will be held Monday, Feb. 17, at the NEW Seven Eagles Restaurant, 1050 Oakton St., Des Plaines, at 10 a.m.

Gunnar Peterson will be the guest speaker in the morning, showing slides of parks and gardens of Europe and other outstanding parks and relation spots in the states.

After lunch, Mrs. Robert E. Clark will present "The New Approach in Flower Arranging" with the use of "colored lights." Reservations should be made with Mrs. W. F. Spikes, 232 Clinton, Elmhurst, Illinois.

Woman's Club Will Hear 'Local Vocals'

The Antioch Woman's Club, 10th District, Illinois Federation of Women's Clubs will meet at the Scout House on Monday, Feb. 17, at 1 p.m. The board will meet at 12:15 p.m.

The program will be to hear from the winners of last year's Woman's Club Scholarship winners plus "The Local Vocals," a folk-singing group from Alendale School for Boys.

The boys, who range in age from 11 to 14, will be accompanied by Mrs. William Mount of Libertyville. The numbers range from novelty tunes to Negro gospel.

The hostess committee will be Mesdames Charles Solar, James Olson, Lester Nelson, Richard Daniels, Alma Bobzien, LaVerne Newton, Elmo Edwards and Clarence Klentz.

Jr. College Board Gives Reception

The board of the College of Lake County will host a reception from 3 to 5 p.m. Sunday, Feb. 16, in St. Therese Auditorium, 2615 W. Washington St., Waukegan, for Richard Erzen, president of the new college and the administrators and their wives.

The public is invited to attend the function and meet the new president and his staff.

Antioch Girl Is A Phi Nu

Dolores Anderson, daughter of Mr. and Mrs. C. L. Anderson, RFD 1, Box 364, Antioch, is one of 11 new pledges to Phi Nu service society at MacMurray College.

Phi Nu is a service organization which this year has selected MacMurray as its service project. The members of the society are assisting with special events on the campus.

Call-395-4111 to place a Society or News Item.

Valentine Couples Get In Free

Hear ye, hear ye, all engaged couples and those people celebrating their anniversaries on Valentine's Day!

You will be admitted free to the opening night performance of Gore Vidal's comedy "Visit to a Small Planet," at the PM&L Theatre, 877 Main St., Antioch.

To reserve your free tickets call 395-1217 or 395-0539. The play will also be presented on Feb. 15, 21, and 22 at 8:30 p.m. "Palette, Masque & Lyre, Inc., of Antioch is one of the few year-round theatre groups in Lake County. And the only one with its own theatre. But during the past year it has also become a part-time marriage bureau. Two couples have met at the theatre and married, and two others have met there and become engaged.

Last year Wayne Bentel and Marybeth Vaughn hardly knew each other. This year Mr. Bentel plays the Aide in "Visit to a Small Planet" while his wife, Marybeth, plays the Technician. PM&L's spring play "Never Too Late" included Garnet Oldsen and Vern Cook in the cast. Now they are Mr. and Mrs. Cook of Antioch.

Mike Ciesielka of Lindenhurst, construction manager for this play, met and proposed to Kathy Droogan of Mundelein, during PM&L's summer and fall productions. Bob Thomley of Lindenhurst, so thoroughly enjoyed flirting on stage with Carol Fischer of Waukegan, that he will marry her in June. They designed the program for this play.

The costumes committee includes Mrs. Sue Perry, who worked with the group for several years as Miss Sue Bushnell. The Navy has given her husband a leave, and she is spending part of the time sewing costumes.

PM&L also boasts of several couples who married before they became members of the group, but who often work together on a production. General Powers is played by Donald Beveroth of Trevor, Wis. His wife, Betty, appeared in "Never Too Late." Gary Richter of Antioch plays the young suitor, Conrad, and his wife, Marie, will probably find herself working on costumes, as usual. The mother Reba is acted by Pat Wellman of Libertyville. Her husband, Roy, has been slaving on the construction of the set. And PM&L's old standbys, Ken and Betty Smouse of Antioch, will surely help out in some phase of this production.

The cast also includes Kreton played by Dr. A. G. Ramsay of Duck Lake, the Father Roger portrayed by Stan Sutherland of Lindenhurst, the daughter Ellen acted by Barbara Cadwell of Libertyville, Delton IV played by Dee D'Isa of Waukegan, and Rosemary the Cat done by Snagglepuss the Cat.

Circle Meetings Are Set

The Alice Circle of the United Methodist Church of Antioch will meet on Wednesday, Feb. 19th at 1:00 p.m. at the home of Mrs. Wm. E. Petty.

Gertrude Circle will meet on Feb. 19th at 1:00 p.m. at the home of Mrs. Lena Messing.

Martha Circle will meet on Feb. 19th at 1:00 p.m. at the United Methodist Church of Antioch, Room No. 7, of the educational building.

Dorcas Circle will meet on Thursday, Feb. 20th, at 9 a.m. in Room No. 7 of the educational building of the United Methodist Church of Antioch.

Eberman Graduates From IWU

Roger A. Eberman, son of Mr. and Mrs. Elmer E. Eberman, Rte. 3, Box 444, Antioch, has completed requirements for the bachelor of Arts degree from the College of Liberal Arts at Illinois Wesleyan University.

The announcement was made today by Wesleyan Registrar James R. Barbour following the close of the first semester of the 1968-69 school year.

Graduates who took part in the June, 1968, Commencement received degrees by mail. Others will receive their degrees at the June, 1969, Commencement.

Eberman was a Spanish major at IWU. He was a 1964 graduate of Antioch Community High School.

Nurse To Give Lecture

"Mission Night" at Faith Ev. Lutheran Church on Sunday, Feb. 16, beginning with a pot-luck supper at 5:00 o'clock, will feature a slide-lecture by Miss Edith Schneider, R.N., recently

Edith Schneider

returned from two years at the Medical Mission near Lusaka in Zambia, Africa.

The Lutheran Women's Missionary Society of the church is sponsoring the evening.

Miss Schneider is a graduate of the Milwaukee County Hospital School of Nursing, where she is presently a faculty member. She spent two years, one as nurse-in-

Combined Concert Is Set

For the first time, the vocal music departments of Wilmot Union High School and Salem Central High School will present a combined concert.

More than 225 students will take part in the concert, which will be held in the Wilmot auditorium, Monday, Feb. 17, at 8:00 p.m.

The concert will begin with the mixed choruses singing the Schubert "Mass in G." The composer was only 18 years old when he wrote this work, but his genius

charge, at the dispensary of the Medical Mission in Africa, a mission supported solely by ladies' groups of the Wisconsin Evangelical Lutheran Synod.

Much of Miss Schneider's experience at the dispensary was in the field of midwifery.

She reports that, "Our privilege of assisting in bringing life into this world was granted about 20 times a month and this seemed to be at night more often than not. Occasionally our nights were spent in driving about 20 times or more of 'bike trails' in order to first call for and bring the expectant mother to the clinic.

"Our pickup truck, therefore, served as the local ambulance." She also conducted health classes, and was able to have a cooking and baking class after figuring out how to construct her own oven! Miss Schneider says, however, that living conditions were "modern" in most respects.

The Ladies' Aid of Faith Ev. Lutheran Church has helped to support this mission ever since it was founded about ten years ago.

was already very evident.

The Mass will be sung in Latin by the 90 voice chorus and will be conducted by Arthur Arveson of Wilmot High. Guest soloists are to be announced next week.

After a brief intermission, the girls' choruses will present two medleys of Broadway tunes. First, Keith Lunde of Central will lead the girls in selections from "Fiddler on the Roof" and then Arveson will return to conduct the selections from "My Fair Lady."

Finally the mixed choruses will sing a group of spirituals, patriotic songs, and popular music, beginning with the spiritual "Elijah Rock."

This will be followed by "My Land Is a Good Land," "Do You Know the Way to San Jose," and will conclude with a vocal fantasia on "America the Beautiful," entitled from Sea to Shining Sea." Keith Lunde will conduct the final group of songs.

Members Meet Feb. 24

The Co-Op Needlecraft Club will hold its regular monthly meeting in Pioneer Hall, 2424 Washington St., Waukegan, on Monday, Feb. 24, at 7:00 p.m.

The crewel embroidery kits from Aunt Jenny's Workbasket should be here for those who ordered them. Just in case they should not arrive in time, please bring something else to work on.

Irene Doyle

Irene Doyle Will Wed Michael Gross

Mr. and Mrs. John Doyle, of Rte. 2, Box 201, Antioch, have announced the engagement of their daughter, Irene, to Michael Gross, son of Mr. and Mrs. Emil Gross of Rte. 1, Zion.

Miss Doyle attended North Central University at Naperville and Gross attended Kenosha Technical Institute and is employed at Body-Craft in Antioch.

Miss Doyle is a 1968 graduate of Antioch High School and Gross a 1967 graduate of Zion-Benton High School.

A spring wedding is planned.

"Make a joyful noise unto the Lord, all the earth: make a loud noise, and rejoice, and sing praise . . . Let the floods clap their hands: let the hills be joyful together before the Lord."

These verses are part of the Responsive Reading this Sunday in all Christian Science churches. The subject of the Bible Lesson-Sermon is "Soul." The following is one of the selections to be read from the denominational textbook, Science and Health with Key to the Scriptures by Mary Baker Eddy: "Experience should be the school of virtue, and human happiness should proceed from man's highest nature."

At First Church of Christ, Scientist, BEACON HILL, Rte. 173 and Harden, Antioch, services will begin at 11 a.m.

Parents must speak from the heart to get through to youth. And listening to God can give us the fresh vision that's needed. Listen February 16 at 9:30 a.m. on WAIT 820 kc to "COMMUNICATING WITH THE YOUNGER GENERATION."

Why wait for a gas self-cleaning oven?

Go out and buy one.

The ranges good cooks have been holding out for are here. New gas ranges with self-cleaning ovens. (And everything else.)

The oven cleans itself automatically. Reduces dirt and soil to clean, white, wipe-away ash. And you can even vary the cleaning cycle according to

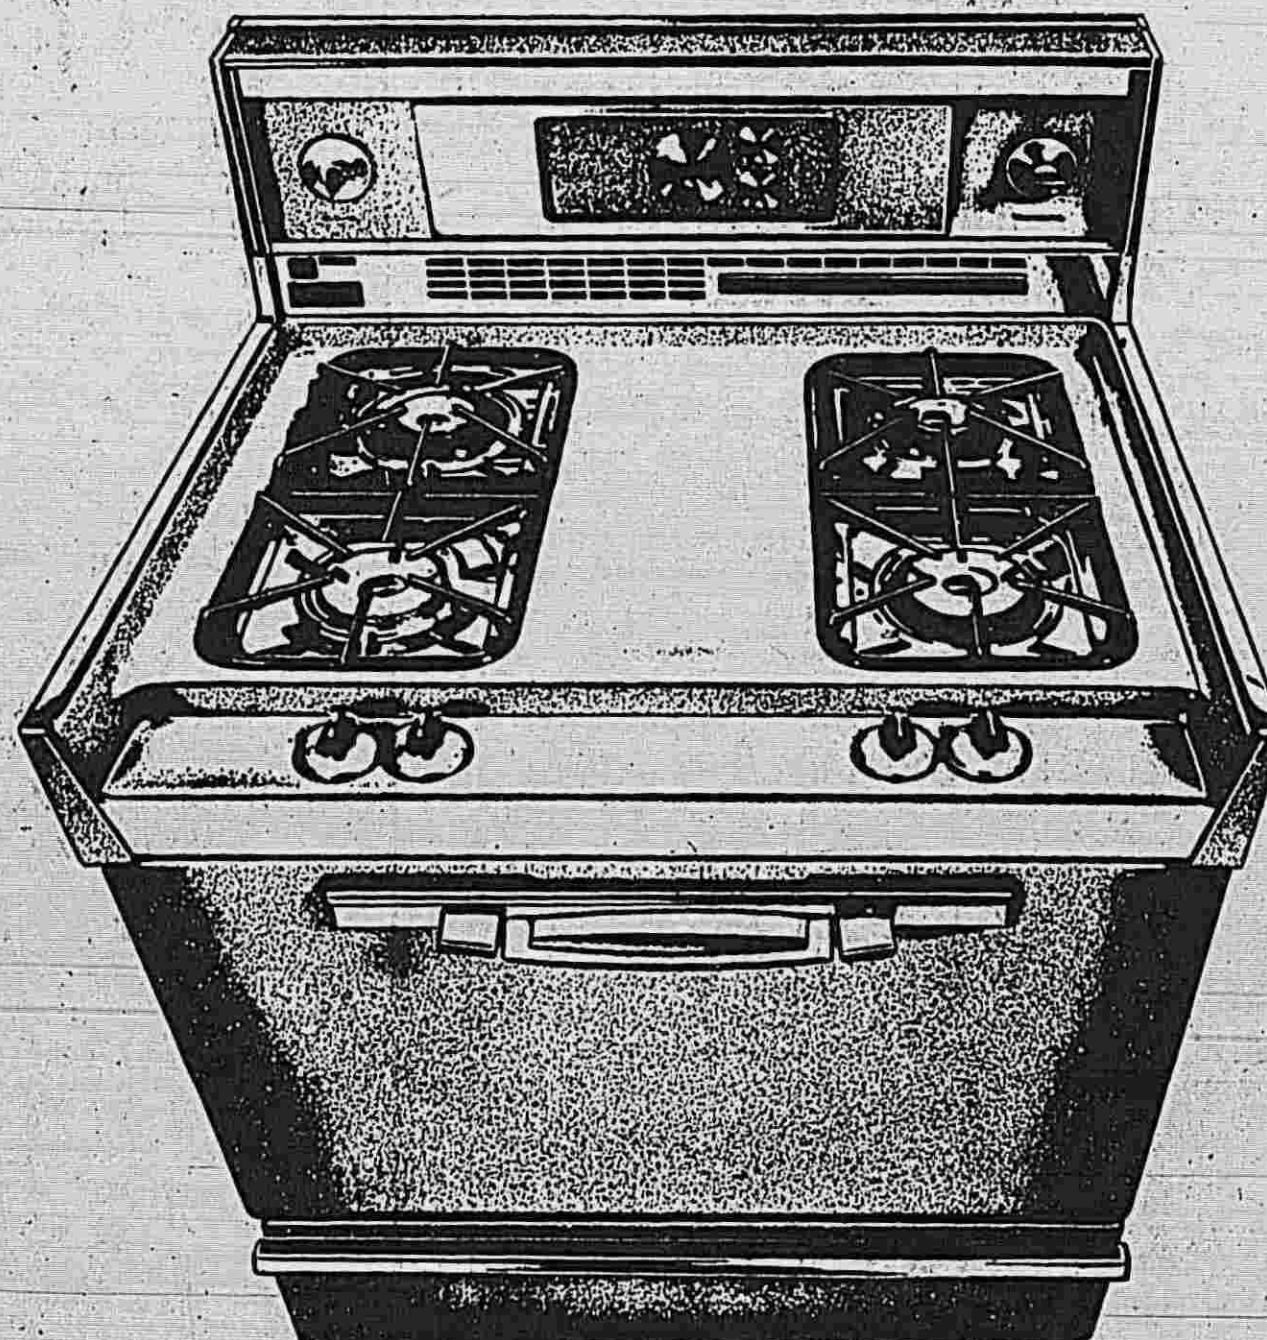

the amount of soil in your oven. But that won't help you cook any better.

What will...are the features of gas ranges. Traditional ones, like precision control of every phase of top-of-stove cooking. And new exciting ones...like automatic cooking and gas infrared broiling.

(Gas infrared broiling units cook quickly...provide eye-appealing browning, too.)

See the new gas ranges with self-cleaning ovens at your nearest Northern Illinois Gas Company office or appliance dealer.

**Northern Illinois
Gas Company**

Hair Styles Will Have Natural Look This Spring

By Constance Charm

The "Natural Look" will be the main influence in new hair fashions for spring, according to the Official Hair Fashion Committee of the National Hairdressers and Cosmetologists Association, the hair fashion authority of the beauty profession.

This new look is one of individualism keyed to the general trend of soft and natural influences in clothing fashions for the season. It gives top priority to waves, which usually flow from a side part to follow the natural contour of the head. The waves also blouse out at the sides, in addition to bringing a special fashion significance to the back of the head where they give a blouson effect at the lower crown area.

A collection of the new styles was previewed before several thousand hairdressers meeting in Phoenix recently. After the Phoenix

previews, the new styles will be shown throughout the nation during National Beauty Salon Week, Feb. 9-15.

This will be the beauty profession's nineteenth annual observance of this special week, which is heralded with the slogan "Crown Your Beauty with a New Hair Style," naturally.

Being natural, however, does not necessarily mean casual; in hair styles it can and does mean being artful without apparent artifice. This is a vital quality of the new styles.

Another vital quality is that your new style definitely has to have a 1969 natural look, and not one from any other period. For instance, today's "Natural Look" is as far a cry from the flowing tresses of Botticelli's Venus riding in all her natural charm upon a half shell, as is the change in fashionable figures since the Renaissance.

Today's "Natural Look" in hair

styles must make the scene for every social need of the season, from the most proper church-going ensemble in the Easter Parade to the most dressy wear for leisure. It is particularly natural for topping the leggy look, be it predicated on the long lines of pantsuits, or the long legged expanse below the miniest of skirts.

Basically, the "Natural Look" is a mood and a new wave length. The mood is one of springtime, a carefree surge of the spirit; young and alive. It soars on the new wave length, a new dimension of softly undulating hair.

This new dimension is length. In all of the new styles shown, the lines of the waves are comparatively long. It's true that some of the waves are deeply formed, almost carved into cameo curves, and others are so highly understated that they just suggest the show of motion. But, all wave

strained and fluid in their motion, whether they wander, ripple, or just flow softly to follow the natural contour of the head.

The new wave length was inspired by the 40's, but its form and flow is so young and natural that those of us who remember the period wouldn't recognize this if someone didn't tell us. A very young part of the natural charm of the waves, and very new today, is the use of occasional curls that seem to pop out of the wave formations like spring blossoms.

Hair length can still be described as comfortably short. It does need expert shaping and a soft permanent wave prescribed just for you, to give your hair the substance, and easy care that is needed for the appealing natural look that it must have this season. If winter left any traces of drabness, be sure to take some conditioning treatments so your hair can look alive and vibrant. It's the fashion!

Complexions, too, go natural, in the soft rose and rachel families. Lips are generous and bright, and eyes... eyes have a special treatment that enhances their soft delicacy... individual lashes added one at a time, or sometimes in twos and threes to the lower lid. What could be more natural!

NATURAL KICK

For topping the long legged look, from pantsuits to the miniest of skirts, this Natural Kick Coiffure is one of the Natural Look hair styles designed for the spring scene by the Official Hair Fashion Committee of the National Hairdressers and Cosmetologists Association. It features the season's most understated wave, a mere shadow, which flows from a high left part down over the crown and into a soft cover-up of bangs. A very definite wave takes over at the sides, and gives occasion for a series of unrestrained half curls to kick out playfully along the wave's length. This is a style that is particularly easy to live and play with and one that needs no fuss, provided you have a professionally prescribed permanent wave and an expert haircut. It will be shown during National Beauty Salon Week, Feb. 9-15.

Clara Predicts "Era Of Elegance"

In this year of 1969, woman will emerge in an "Era of Elegance" when the jazz and pizzazz of "Mod" is outdated for the hypnotic calm of "chic."

So says Clara Merryman of Clara's Beauty Salon, 400 1/2 Lake Street.

All heads turn to admire the long, sleek silhouette of a generous sleeve, pantsuits or capes—the obvious know-how of put-together, Clara says.

"And her head tells all: full of gracious movement, not irritating to the eye—waves and sweeps, sure and guided, or smooth and shining with exotic braid."

"Elegance is an innate quality—something a woman is born with. Chic, however, the closest thing to elegance can be attained by any woman with conscientious effort and an awareness of herself—and this is where we, the hair stylists—play an important role."

Hair will continue to be worn in soft, fluid styles, short for daytime wear and adding hairpieces and ornaments for evening festivities.

Clara said that she would like to do things for senior citizens too. She said there is a special rate "just for you. We want you to be beautiful, too."

Pivot Point Style At Mr. Arnolds

Mr. Arnold's Coiffures in the Savings and Loan Plaza is featuring Pivot Point, a new concept in hair cutting and shaping. He is assisted by June Staffon.

Mr. Arnold points out that hair will be slightly longer in 1969 and the European styles for this season are also featuring longer hair.

"We will find that the sides will be longer and the backs will be cut short," he said.

Mr. Arnold also says that lots of waves and curls will be the "in" thing for the chic woman.

Always popular, and not slacking off this year, he said, will be the popular wigs and wiglets that have become a part of the modern woman's ensemble.

Mr. Arnold features high fashion hair styling and can be seen by appointment.

He is closed Monday.

All Paths Lead To Flo's Beauty Shop

All paths lead to Flo's for hair-do's that are new and different. Flo's Beauty Shop is at Rte. 59 and Grass Lake Road.

Flo Heiselmann is the owner and working with her are Kathy, Joy and Sherrill.

Flo points out that short and curly hair with body permanents will be the style this year.

Wigs and hair pieces are here to stay, she says, and a large number of women today are using

the hairpieces, not only as a full covering but to enhance their own hair.

Flo also pointed out that her shop features a color machine that cuts the time on bleaches and tints.

She warns that the do-it-yourself permanent and dye jobs can cost more money in the long run than having a professional like herself or her assistants take over the chore.

Jacque And Georgia See Waves, Curls

Jacque's and Georgia's Beauty Shop at Rtes. 59 and 173 is the largest in the Antioch area and is run by Jacque Casella and Georgia Adams.

Their helpers are Nancy 1 (Nancy Babe) and Nancy 2 (Nancy Banser).

Jacque points out that this year's fashion will run to soft contour waves and curls with a natural and not a set look.

But, she adds, the choice of hair style will still be an individual thing. What looks good for one may not be the right thing for another.

Jacque advocates that every woman should have at least three wigs or wiglets in their wardrobe—just like you do with shoes.

"These hairpieces that enhance the beauty of your own hair are a must," she said, "and I believe that they will be around for a long time."

"I don't know what I would do without mine," she added.

Jacque says that the hairdo should blend in with the overall look of a woman and the crown-gory glory should accent the overall picture.

NATURAL FANCY

This Natural Fancy Coiffure is bound to turn a young man's fancy to springtime thoughts, according to the Official Hair Fashion Committee of the National Hairdressers and Cosmetologists Association. It is one of the Natural Look hair styles that

emphasizes waves. Here the waves are deeply formed and flow with a decided verve from a high part on the left side. The widely curving waves in the lower crown area call special attention to the back of the head, which requires a particularly well-groomed look this season. To

have the style individualized for yourself, you will need a special haircut and a soft professional permanent wave. The Natural Look Hair Fashions will be shown throughout the country for National Beauty Salon Week, Feb. 9-15.

NATURAL CURVE

An easy flow of soft waves marks this Natural Curve Coiffure as one of springtime's new Natural Hair Fashions. Designed by the Official Hair Fashion Committee of the National Hair-

dressers and Cosmetologists Association, it gives top priority to waves that follow the natural contour of the head. This new look features individualism keyed to the general trend in soft and natural influences in clothing fash-

ions for spring. It will be shown Feb. 9-15. Comfortably short, the hair does need expert shaping, plus a soft professional permanent wave. This will individualize the look for you and give it the necessary ease of wear.

THE ANTIOCH NEWS

Cub Scouts Set Dinner For Feb. 16

Antioch Cub Scout Pack 192 will have their Blue and Gold dinner on Sunday, Feb. 16 at 4 p.m. in the Oakland Grade School gym.

All family members are invited to come with the Cub Scout and his parents. The cost will be \$1.00 per adult and 50¢ per child.

Each family is requested to bring their own table service for the dinner. For further information please call either Mrs. Schroeder 395-1547 or Mrs. Bucar 395-4091.

The dinner and program will take the place of the normal February Pack meeting.

Scout Week is Feb. 7 to Feb. 13 and all scouts are encouraged to wear their uniforms during this time. However, Feb. 8 has been designated Uniform Day as Feb. 8, 1910 was the birthdate of Boy Scouts. Sunday, Feb. 9 is Scout Sunday and all scouts are requested to wear their uniforms.

Bowling

MONDAY NIGHT TAVERN FEBRUARY 10

Maggie & Bob's Tavern, with Frank Heiselmann, (239-598) leading the way won two games from second place Fiddler's Green. Bob Bock 204-575 for Fiddler's.

Old Hickory still stalking the leaders won two games from The Angels, Arnie Colby, 188-537.

Bob Hughes (218-574) paced Red Arrow Tavern to three nice

forms to church and other related activities.

The March Pack meeting has been planned for the Pinewood Derby—so all Cub Scouts should get their pinewood derby racers ready for the meet.

Travelers To See Trip Slides

The Co-Op Travel Club will hold its regular monthly meeting in Pioneer Hall, 2424 Washington St., Waukegan, on Tuesday, Feb. 25, at 7:30 p.m.

The program will be presented by Mrs. Charlene Harris for the James Carr Travel Agency, Waukegan. She will show colored slides of New England and the Pacific Northwest.

Mrs. Clifford Arlington, president, invites the public and refreshments will be served.

Brochures and full information on the Switzerland, Austria and Italy trip in July will be available.

wins over "Blue" Harris (202-538) and the Open Door five.

Lake Shangri-La, "the spotters" led by Bob Bolton (198-536) and Larry McKinley (194-535) won three games from Pat's Lounge.

Jerry Hassett 164-478 for Pat's. Erv. Keroson led the league for the evening with a fine 227-210-168-605 and paced Helvetia Hotel to a pair of wins over Johnson's.

Carl "Whittie" Knight 205-568 for Johnson's.

Al Desbiens (191-565) paced Cole's Tavern to a pair of games over Kempf's Tavern. Chuck Kempf (180-510) led Kempf's Tavern.

The common edible oyster is not usually a pearl-bearer.

On Friday evening the Antioch Sequoits before 7 a. "Parents Night" crowd beat Grant 71 to 62 to avenge an earlier defeat. During the evening, Miss Marilyn Radtke was chosen "Miss Basketball Fan" 1968-69.

The Sequoits were slow getting started, and Grant was hot from the field in the first quarter. After 4 minutes of play, Grant held a 14 to 6 lead, thanks to some excellent shooting, hitting 6 of 7 shots.

But the Sequoits stayed close due to some fine offensive rebounding by Keith Bolton. The quarter ended with the Sequoits down 19-13.

In the early stages of the second quarter, the two teams exchanged baskets and the score

stood 27-21 Grant, with 4:31 remaining.

At this point the Sequoits went on a rampage, scoring 16 straight points and taking a 37 to 27 lead.

Dave Camp lead the attack with 4 baskets, but was helped by the rebounding of the front line and the added scoring of Jim Carlson.

During the third quarter the teams exchanged baskets, when the quarter ended, the Sequoits were on top by ten, 52-42.

The Antioch attack failed to develop during the quarter, due to lack of team effort and team play.

Late in the fourth quarter, Grant rallied to cut the Sequoit lead to four points, but some timely foul shooting by Rodney

Boswell helped preserve the victory for the Sequoits.

When asked about the game, Coach Andrews stated, "It's good to beat Grant anytime, but for "Parents Night" that's extra special. With better team play and effort during the third quarter, we could have broken the game wide open, which would have enabled all the team members to play."

"This didn't happen, and I was deeply disappointed," continued the Sequoit coach.

Later when asked about Camp's 34 shot attempts, Coach Andrews commented, "Thirty-four attempts of the team's 61 attempts sure isn't team work, especially when you have a 6'5

and 6'4 big men underneath that hit 7 of 11 attempts.

"This will be corrected," added the coach.

The rebounding has picked up, the front line did real well against Grant, as Jeff Sterbenz lead all rebounders with 13, Bolton had 12 and Jim Shore had 10 grabs.

During the first five minutes of the third quarter, the Sequoits just couldn't buy a point. North Chicago scored 11 points to take their first lead since the early stages of the game.

The score stood 33-26 North Chicago, but the Sequoits fought back to score six points and trail only 33-32 with less than a minute left in the quarter. The Warhawks quickly scored 3 more points in the short time left to take a 36-32 lead into the fourth quarter.

North Chicago hit for 3 quick baskets to get their largest lead of the evening, 42-32. The Sequoits fighting back worked on the lead and as Jerry Martin hit a lay up with 2 minutes left the lead was down to 3 points 46-43.

The Sequoits were putting on the heat, but with 42 seconds remaining North Chicago hit two free throws for a 48-43 lead. Camp then hit a 16 foot jump shot with 18 seconds left to close the lead to three points again. North Chicago hit two more free throws with three seconds remaining to close out the scoring.

"We played a very good game, the defense had North Chicago off balance most of the evening. Their fast break on 4 or 5 occasions was very good and this made the difference in the game. In the second quarter our defensive rebounding fell off and North Chicago scored four baskets on rebounds. In all, I was real pleased with our effort and play," concluded Coach Andrews.

Soph Streak Ended By N.C.

After winning their eighth straight game with a conference victory over a stubborn Grant Sophomore team Friday night in the Antioch gym, the Sophs had their string broken at North Chicago on Saturday night.

In Friday night's 49-45 victory Grant had taken a 9-point lead early in the second quarter, but the Sequoits fought back to eventually take the lead and maintain it during the fourth quarter. Steve Benfel led the Sophs with 13 points and 12 rebounds.

On Saturday night the Sophs opened the game in high gear and led at the end of the first period 19-17.

However, the Sequoits turned cold from the floor and managed to score only 17 points in the remaining three periods, while North Chicago led by Coleman and West, each with 21 points,

game 58-36.

The Warhawks were excellent defensively especially during the third period.

This gives Antioch a 10-2 conference record and a 12-8 overall.

Catholic Grade School Tourney Set

The 4th annual Catholic Grade School basketball tournament and cheerleading competition will be held Feb. 15 and 16 and Feb. 22 and 23 at Carmel High School Gym, Mundelein.

The tournament is sponsored by the Cardinal Stritch Council No. 3674 of the Knights of Columbus. Tournament director is Fr. Kyrin Caggiano.

St. Peter's of Antioch is scheduled for the B Division and will face Our Lady of Humility, Zion, at noon on Feb. 15. The winner will then advance to the quarter-finals on Feb. 22.

The public is invited to attend the tournament.

Stroner Hits Pins For 736

Dick Stroner, bowling for Radke's Barber Shop in the Thursday Businessmen's League at Antioch Bowling Lanes, Inc., shot a torrid 736.

Stroner put together games of 267, 203 and 266 to rack up his league leading series and led his team to a sweep in all three games from Steve's Channel Inn.

It was the biggest series that Stroner ever bowled and the highest of the season at Antioch Bowling Lanes.

Stroner's big series raised his league leading average to 190.

DEATH NOTICES

MRS. EVA P. SHULTIS
Mrs. Eva P. Shultis, 92 years old of 1034 Victoria St., Antioch, passed away at 1:30 p.m. on Tuesday, Feb. 4, after a lingering illness. She was born Jan. 7, 1876 in Lake Villa Township and moved to Antioch in 1905.

Mrs. Shultis was a member of Olson Camp No. 459 of the Royal Neighbors of America. She married Rolla A. Shultis on June 21, 1895 in Lake Villa Township and he passed away June 21, 1951. She was preceded in death by one brother, George Pitman and a sister, Mrs. Jessie Brompton.

Survivors are two sons, Seward R. Shultis and Louis Shultis, both of Antioch, and one brother, Earl C. Pitman, of Antioch. Funeral services were held on Thursday at the Strang Funeral Home in Antioch. Rev. Donald Cobb of the Antioch Methodist Church officiated. Interment was in Hillside Cemetery at Antioch.

BABY RICHARD D. KEISLER
Baby Richard D. Keisler was born and died on Monday, Feb. 10, 1969, at St. Therese Hospital in Waukegan. He is survived by his parents, Lawrence E. and Lois Keisler, two sisters, Nancy and Donna Keisler, three brothers, Stanley, Kenneth and Gerald, all of Salem, Wis., the paternal grandparents, Herman and Rose Keisler, of Twin Lakes, Wis., and the maternal grandparents, Harry and Martha Byers, of Channahon, Ill.

Graveside services were held at Liberty Cemetery near Trevor, Wis., at 1:30 p.m. on Wednesday, Feb. 12, with Rev. Carl W. Bloedow of the Bristol Methodist Church officiating.

MRS. MARJORIE OGLESBY
Mrs. Marjorie H. Oglesby, 73 years old of 1005 Bishop Street, Antioch, passed away at 9:00 a.m. on Saturday, Feb. 8, at her home suddenly from a heart attack. She was born Dec. 7, 1895 in Woodstock, Ill., and had resided in Waukegan for 30 years before moving to Antioch 15 years ago. She was a member of the Antioch Methodist Church.

Marjorie Brewer married Frank B. Oglesby Oct. 23, 1910. She was preceded in death by one son, Frank Oglesby, Jr., on Jan. 6, 1948.

Survivors are her husband, Frank B. Oglesby, of Antioch; four daughters, Mrs. Hazel (Milton) Armstrong, Sun Valley, Calif.; Mrs. Mildred (Delmar) Nourie, Sun Valley, Calif.; Mrs. June Chamberlin, McNeal, Ariz.; Mrs. Dorothy Johnson, Cary, Ill.; 11 grandchildren and 31 great-grandchildren, and one sister, Mrs. Lydia (Walter) Hansen, of Elgin, Ill.

Funeral services were held at 1:30 p.m. on Tuesday at the Strang Funeral Home in Antioch. Rev. Cleghorn of the Elgin Assembly of God Church officiated. Interment was in Pine View Cemetery at Zion.

FRANCES L. SCHOENSTEDT
Mrs. Frances L. Schoenstedt, 76 years old of 1009 Victoria St., Antioch, passed away on Monday at her home. She was born Dec. 29, 1892 in Chicago, and resided there until moving to Antioch 6 years ago, but had been spending her summers here at Lake Marie and Petite Lake for the past 50 years. She is a member of Lorimer Baptist Church in Chicago.

She married George F. Schoenstedt on March 22, 1913 in Chicago. She was preceded in death by one brother and two sisters.

Survivors are her husband, George F., of Antioch, one daughter, Mrs. Frances (Charles) Gragido, of Chicago, and two grandchildren.

Funeral services were held at a Chicago funeral home, with interment in Chapel Hill Gardens South Cemetery. Local arrangements were made by Strang Funeral Home in Antioch.

COUNTY ZONING NOTICE
STATE OF ILLINOIS) ss.
COUNTY OF LAKE)
TO WHOM IT MAY CONCERN: PUBLIC NOTICE is hereby given to all persons in the Town of ANTIOCH, Lake County, Illinois, that a public hearing will be held on February 28, 1969, at 1:30 P.M., in the Old Village Hall, Antioch, Illinois, relative to a proposal to vary the terms of the Lake County Zoning Ordinance, or to reclassify by amendment thereto, from the UR-3 Urban Residential Zone, to

Crafts Club Will Meet On Feb. 26

The Co-Op Arts and Crafts Club will meet on Wednesday, Feb. 26, since their regular meeting date falls on Ash Wednesday.

They will meet in Pioneer Hall, 2424 Washington St., Waukegan, at 7:00 p.m.

Mrs. Wayne Larsen will direct the making of papier mache fruit and napkin rings. Each one should bring newspapers, masking tape, Elmer's glue, old lace, a cake pan or box lined with waxed paper to carry home, wet wash cloth and scissors.

Mrs. Jeffrey Gossard, president, invites the public:

MRS. MYRTLE K. McCABE
Mrs. Myrtle K. McCabe, 69 years old of Linden Lane near Antioch, passed away at 10 p.m. Monday, Feb. 10th, at her home suddenly from a heart attack. She was born Oct. 13, 1899 in Ottawa, Ill., and had resided in Chicago, then Deerfield, Ill., for 7 years before moving to Antioch 7 months ago. She was a member of St. Peter's Church in Antioch. Mrs. McCabe was preceded in death by her husband, Harold, on Jan. 27, 1964.

She is survived by one son, John Warren McCabe, of Kansas City, Kansas, two daughters, Mrs. Phyllis (Gilbert) Cramer, Salisbury, N. C., and Mrs. Sheila (Robert) Lemcke, Antioch; two sisters, Mrs. Dorothy (Edward) Kerber, Wilmette, Ill., and Mrs. Ruth (Kenneth) Carrick, Arlington Heights, Ill.; 14 grandchildren and one great-grandchild. A funeral mass will be held this (Thursday) at 10 a.m. at St. Peter's Church in Antioch. Interment will be in All Saints Cemetery at Des Plaines, Ill. Parish prayers were recited at 8 p.m. Wednesday at the Strang Funeral Home.

the CR-Commercial Recreation Zone, the following described real estate, to-wit:

Property located on Southeast side of Grass Lake Road, at intersection with Klondike Avenue, described as:

Those parts of Sections 34 & 35, Township 46 North, Range 9 East of the 3rd P.M. which are part of the "Resubdivision of parts of Simon's Klondike Subdivision", (said Resubdivision being recorded as Document 294420, and now all vacated) described as follows: commencing at the South West corner of Klondike Avenue said corner being 80 feet South and 60 feet West of the South West corner of Block 2 in "Simon's Klondike Subdivision" (Document No. 245158); thence East along the South line of Klondike Avenue 250 feet, more or less, to a corner of said former resubdivision; thence Southerly along an Easterly line of former Resubdivision 110 feet, more or less, to a point; thence Southwesterly along a line of former Resubdivision, also being the Northwesterly edge of a channel, 300 feet, more or less to a point; thence South along an Easterly line of former Resubdivision, also being the Northwesterly edge of a channel, 300 feet, more or less to a point; thence South along an Easterly line of former Resubdivision, also being the Northwesterly edge of a channel, 360 feet, more or less, to a point; thence West along a line of said former Resubdivision, also being the North line of a channel, 230 feet, more or less, to a point; thence South along an East line of former resubdivision (being East line of former Sunset Place) 330 feet, more or less, to a corner of former Resubdivision; thence North along the West line of former Resubdivision 330 feet, more or less, to the North line of Sherwin Avenue; thence West along the North line of Sherwin Avenue 139.6 feet, more or less, to a corner of former Resubdivision (being West corner of former lot 19) thence North 45 degrees East (along the Northwesterly line of former Lot 19) 77.6 feet, more or less, to the Southerly line of Grass Lake Road; thence Northwesterly along the Southerly line of Grass Lake Road, 786.33 feet to the Northwesterly line of former Resubdivision; thence North 58 degrees East, along the Northwesterly line of former Resubdivision, 200 feet, more or less, to the West line of Lake Street 32.5 feet, to the point of beginning, in Lake County, Illinois; also those parts of Lots 9 thru 18, in said former Resubdivision, lying Northwesterly of Grass Lake Road, in Lake County, Illinois; except that part described as follows: commencing at the South West corner of Klondike Avenue said corner being 80 feet South and 60 feet West of the South West corner of Block 2 in "Si-

mon's Klondike Subdivision" (Document No. 245158); thence East along the South line of Klondike Avenue 250 feet, more or less to a corner of said former Resubdivision; thence Southerly along an Easterly line of former Resubdivision 110 feet, more or less, to a point; thence Southwesterly along a line of former Resubdivision, also being the Northwesterly edge of a channel, 300 feet, more or less to a point; thence South along an Easterly line of former Resubdivision, also being the Northwesterly edge of a channel, 360 feet more or less, to a point; thence Southwesterly to a point on the Southerly life of Grass Lake Road, which point is 345 feet Southwesterly of the intersection of the Northwesterly line of former Subdivision and the Southerly line of Grass Lake Road; thence Northwesterly along the Southerly line of Grass Lake Road 345 feet to the Northwesterly line of former Resubdivision; thence North 58 degrees East, along the Northwesterly line of former Resubdivision, 200 feet, more or less, to the West line of Lake Street in Klondike Subdivision (Document 245158); thence South along the West line of said Lake Street 32.5 feet, to the point of beginning, in Lake County, Illinois.

As a result of the petition of THOMAS D. STEISKAL & CARL A. STEISKAL, which petition is on file and available for examination in the office of the below named Board, Court House, Waukegan, Illinois.

All persons interested are invited to attend said hearing and be heard.

LAKE COUNTY ZONING BOARD OF APPEALS
JOHN M. STERLEY
Chairman
Dated at Waukegan, Illinois, this 13th day of February, 1969.

SCHOOL DISTRICT NO. 33 IN LAKE COUNTY, ILLINOIS

Notice is hereby given that on Saturday, the 12th day of April, 1969, an election will be held at Emmons Grade School, in School District No. 33 of the County of Lake and the State of Illinois, for the purpose of electing a school director of said school district for the full term.

For the purpose of this election the school district shall constitute one precinct and the polling place therein shall be at Emmons Grade School multi-purpose room. The polls shall be opened at 12 o'clock P.M. and closed at 7:00 o'clock P.M. the same day. A caucus will be held at the polling place immediately before the opening of the polls for the purpose of nominating a candidate for school director, 11:00 A.M. to 12:00 noon.

By order of the School Board of said District.

Dated this 13th day of February, 1969.
